

Baltimore Aircoil Company

Factory fabricated cooling towers, evaporative condensers, fluid coolers and ice storage systems.

Bulldog Heat Pumps

Canadian manufacturer of heat pumps and heat pump make up air units including vertical stacked, horizontal ceiling mounted, vertical floor mounted, water to water and console type.

Tranter

Global manufacturer of gasketed and welded plate heat exchangers and an aftermarket service provider for the plate heat exchanger industry.

Amiad Water Systems / PEP Filtration

PEP media water filtration systems including centrifugal and sand media, Filtomat screen filters and Arkal disc filtration products.

Epurair

Epurair is a major Canadian manufacturer of Energy Recovery Ventilators and other air quality products for the commercial and residential market.

Thermal Corporation

Manufacturer of quality custom air handling equipment since 1945 with products that can be found across the globe, from commercial buildings to manufacturing facilities, from comfort heating and cooling to the most elaborate types of energy recovery processes.

A division of Nailor International, Inc.

Wilo

Wilo is a leading manufacturer of efficient and reliable pump products, specializing in the commercial sector with innovative solutions for optimal water management and sustainability.

Danfoss

Global variable frequency drive manufacturer.

Cancoil Thermal Corporation

Manufacturer of commercial style dry coolers, fluid coolers, condensing units, remote compressor units and other customized applications.

ThermoTek

Delivering superior engineering and design with a full line of heating and ventilation products.

Q-PAC

Retrofit existing AHU with a fan array. Using ECM motors and fans that can be hand lifted into place.

Belimo Group

Manufacturer of cooling tower and condenser water control valves, cooling tower make-up valves, actuators.

Modine HVAC

Recognized as the most trusted brand in HVAC – providing integrated heating and cooling solutions, differentiated through innovation.

Composite Cooling Solutions

Field erected cooling towers, architectural cooling towers.

ABB Group

Global variable frequency drive manufacturer.

Flamco

As a part of the Aalberts Group, European brand Flamco offers innovative Boiler Room and Hot/Cold Water Solutions, designed with a sustainable approach to help reduce energy and emissions, thereby, supporting the building life cycle.

Islandaire

High quality air conditioning and heating manufacturer of replacement heat pumps & PTACs for a plethora of brands used in the market, made to fit perfectly and cost effectively for installations.
