

Baltimore Aircoil Company

Factory fabricated cooling towers, evaporative condensers, fluid coolers and ice storage systems.

Bulldog Heat Pumps

Canadian manufacturer of heat pumps including vertical stacked, horizontal, ceiling mounted, vertical floor mounted, water to water and console type.

Clivet

Established in 1989, Clivet is a global leader in production of air-source heat pumps and air-cooled chillers with a deep focus in the North-American market.

Chromalox Thermal Solutions

Founded in 1917, Chromalox is a premium provider of electric thermal technologies globally, engineering advanced thermal solutions for over 100 years.

Wilo

Wilo is a leading manufacturer of efficient and reliable pump products, specializing in the commercial sector with innovative solutions for optimal water management and sustainability.

Thermal Corporation

Manufacturer of quality custom air handling equipment for commercial buildings, manufacturing facilities, comfort heating & cooling and energy recovery processes. A division of Nailor International Inc.

Epurair

Epurair is a major Canadian manufacturer of Energy Recovery Ventilators and other air quality products for the commercial and residential market.

Tranter

Global manufacturer of gasketed and welded plate heat exchangers and an aftermarket service provider for the plate heat exchanger industry.

Amiad Water Systems / PEP Filtration

PEP media water filtration systems including centrifugal and sand media, Filtomat screen filters and Arkal disc filtration products.

RuppAir

Delivering superior engineering & design with a full line of heating and ventilation products such as exhaust fans, HVLS fans, MUAs and complete packaged HVAC units.

Modine HVAC

Recognized as the most trusted brand in HVAC – providing integrated heating and cooling solutions including unit heaters & MUAs.

Cancoil Thermal Corporation

Manufacturer of commercial style dry coolers, fluid coolers, condensing units, remote compressor units and other customized applications such as replacement AHU coils.

Q-PAC

Retrofit existing AHU with a fan array. Using ECM motors and fans that can be hand lifted into place.

Flamco

As a part of the Aalberts Group, The European brand Flamco offers innovative Boiler Room and Hot/Cold Water Solutions. Designed with a sustainable approach to help reducing energy and emissions, thereby, supporting the building life cycle.

Islandaire

High quality air conditioning and heating manufacturer of replacement heat pumps & PTACs for a plethora of brands used in the market, made to fit perfectly and cost effectively for installations.

Danfoss

Global variable frequency drive manufacturer.

ABB Group

Global variable frequency drive manufacturer.

Belimo Group

Manufacturer of cooling tower and condenser water control valves, cooling tower make-up valves, actuators.

Composite Cooling Solutions

Field erected cooling towers, architectural cooling towers.
